

Texas Department of Transportation Outdoor Advertising Program HBAIT

(Highway Beautification Application Interface to Texas.Gov)

Goals

- Modernize and standardize the Outdoor Advertising Regulatory Program to meet model regulatory licensing guidelines as recommended by the State of Texas Sunset Advisory Committee.
- Allow online payments for outdoor advertising license and permit renewal fees on a real time basis.
- Improve transparency of the regulatory program.

Project Vision
Summer 2012

Requirements
Fall 2012

Development
Nov-March

Production
April 2013

Benefits

▶ Customers:

- Pay for permits and license renewal fees online
- Browse permit inventory
- Manage account
- Add and manage users
- Browse renewal transactions

▶ TxDOT:

- Reduce paper usage
- Save money and time
- Streamline the administrative process
- Increase transparency

What's to Come.....

▶ Phase 2:

- Ability to apply for license & permit applications online.
- Allow attachments & maps to be uploaded.
- Provides users the ability to track the status of application.

▶ Phase 3:

- Integrated mapping service
 - View the most recent inventory photo & inspection log
